

UGREEN UNO Animal (Puppy) Charger 30W 1C

X608

Unique Puppy-Inspired Design

Featuring a cute puppy-shaped design, this charger stands out from ordinary chargers. It combines practical charging with a fun appearance, making it a cheerful addition to your home or travel essentials.

Compact & Powerful

30W GaN fast charging in a compact, lightweight body. Efficiently charges smartphones, tablets, and more, wherever you go.

Intelligent & Universal Charging

Supports multi-voltage USB-C output (5V/9V/12V/15V/20V), compatible with most devices and various fast-charging protocols. Suitable for travel with 100-240V wide voltage input.

Safe & Reliable Protection

The advanced GaN chip keeps charging fast and the charger cool. Built-in safety features protect your devices from overheating, too much current, voltage spikes, and short circuits. Made with fire-resistant materials for extra safety and reliability.
