

Butterfly Hanger

Features

Easy and quick installation. Robust design & material for outdoor / indoor use. Fits 3/8 in(M10) hardware kits, banding, round member adapters, angle adapters or standoff kits.

Warnings!

Installation of products must be performed by qualified, trained and experienced personnel. Installation personnel must be correctly and safely equipped. Mounting instructions and warnings must be read prior to installation. Warnings alert you to possible dangers about improper use of product. Failure to observe warnings may result in injury or death to you or others.

- 1 - Secure the butterfly hanger assembly to the desired position using the appropriate standard parts (a).
- 2 - Insert the bushing into the hole (H1 for 3/8" cable, H2 for 1/2" cable).
- 3 - Place the cable at position (b).
- 4 - Insert the bolt (d) through hole (c), then screw on the nut (e).
- 5 - Tighten the nut (e) to prevent the cable from sliding.
